

InKline II

folding tablet stand

Perfect for taking your tablet everywhere with you, this folding stand becomes a handy workstation in just seconds. By securely holding your device in either landscape or portrait position, you can type, surf, watch media, play or read, for hours on end!

Features:

- Slim and stylish stand, suitable for 7-inch tablets or e-book readers
- Adjustable height - for greater readability and optimum viewing angles
- Ergonomic - elevates the screen allowing the use of a keyboard for more efficient computing
- Enhances airflow - air circulates around the device, keeping it cool
- Extremely portable - foldable design makes it easy to carry
- Sturdy ABS A - frame construction, with non-slip silicone supports
- Color: charcoal and grey
